Kansas Honors Program Recognizes CHS Students

The Kansas University Alumni Association's Kansas Honor Program has recognized 32 seniors at Campus High School seniors as Kansas Honor Schools for the 2011- 2012 school year.

The Kansas Honors Program recognizes and awards high-school seniors for their academic achievements. Each year KU alumni gather in more than 40 locations across the state for an awards ceremony and honorary dinner or reception.

These 32 students will be honored at a Kansas Honors Program at a ceremony and reception hosted by the University of Kansas at Wichita State University on November 7 at the Eugene M. Hughes Metro Complex.

All high-school seniors who rank academically in the top 10 percent of their class are asked to attend as guests of the Association with their parents, principals and superintendents.

The Kansas Honors Program has been a KU tradition since 1971. It is designed to promote academic excellence in secondary education, to reward high school seniors for their hard work and dedication, and to support our Kansas communities.

In its inaugural year, the Kansas Honors Program honored about 1,000 students in 16 countywide programs. Today, the program honors approximately 3,500 students from 362 high schools in all 105 counties.

Each Kansas Honor Scholar receives a certificate and a special edition of The American Heritage Dictionary, and has a chance to qualify for a \$4,000 scholarship to KU.
