Haysville Alternative High School Art Class

Haysville Alternative High School's Fundamental Art class requires each students to use their creativity. Art teacher Brian Knott encouraged his students to use tools at hand while working on a recent project. Art students Charlene Braswell (far left), Chris Holcomb (center) and Nathan Shaffer, (foreground) worked on a clay slab box that they textured the slabs by stepping on the clay with their shoes. **(USD 261 Photo)**
