## **Ruth Clark Everyday Math Class**

Ruth Clark Elementary School second grade teacher Amy Driskill works with Madisen Mattix during her Everyday Math class. Everyday Math comes with a classroom and a computer component. All second graders at Ruth Clark use the online feature called 'everydaymathonline.' The computer component allows the students to play math games that are tied to state standards. Each student is also able to go to this website at home and for extra fun and practice. **(USD 261 Photo)**
