Rex Communities in Schools Receives Grant

Shaye Ferguson, Communities In Schools Site Coordinator at Rex Elementary School, recently received the Target Field Trip grant for \$700 grant which will fund a field trip for all Rex 5th grade students to volunteer their time at the Kansas Food Bank in March. The Kansas Food Bank distributed approximately 8 million pounds of food last year. This community service project will give Rex Elementary students an opportunity to give back to their community as well as promote Rex PRIDE. CIS encourages students to give back to the community and to learn the importance of community service. Rex Elementary School would like to thank Target Scholarship of America for making this experience happen. **(USD 261 Photo)**
