This Process Communication Model Parenting Class is designed to help you learn more about yourself and your child. Learn to speak your child's language to understand and motivate them, and give them the kind of support they need. Understand how to deal with and redirect negative behaviors into positive behaviors. Parents will receive information about their own personality dynamics and predictable conflict dynamics. PCM enhances and supports many contemporary parenting models and encourages a motivational approach for discipline and responsibility.

## **Presenter: Jamie Remsberg**

Jamie has 7 years experience with Process Communication and is a fully certified PCM trainer. She is a founder/owner at Next Element Consulting, LLC.

## **Co-Presenter: Linda Long**

Linda has worked for USD 261 for 13 years. She is a fully certified PCM trainer and is currently the Support/Services Homeless Coordinator at the district level.

Participants must complete a personality inventory online by Monday, March 26th, 2012.

Instructions for completion will be given at registration which will close on March 15th.
